UNIVERSITY AND B. Y. U. SETTLE  
THEIR ATHLETIC DIFFERENCES

Yesterday the athletic differences between the University of Utah and the B. Y. U. of Provo were settled satisfactorily to both parties and the two schools will meet in a dual track meet and in the state college track meet. The settlement followed an agreement between Coach J. H. Maddock of the University and Coach Fred Bennion of the B. Y. U. to allow a five-year eligibility rule to be in force until July first.

When the Utah intercollegiate conference adopted the four-year rule, barring athletes from competition who had been in college sport more than four years, the B. Y. U. withdrew from its obligations to appear in the dual meet and in the state meet, on the ground that the adoption of the rule would make the majority of the B. Y. U. point winners ineligible, a condition that did not exist when the contracts were entered into.

Utah conference instructed the athletic authorities of the University and the B. Y. U. to get together if possible in a settlement, and yesterday the coaches came to terms.

The compromise on the five-year rule was reached after Coach Bennion had been in college sport more than four years, the B. Y. U. withdrew from its obligations to appear in the dual meet and in the state meet, on the ground that the adoption of the rule would make the majority of the B. Y. U. point winners ineligible, a condition that did not exist when the contracts were entered into.

Under the five-year rule practically all of the B. Y. U. stars will be eligible and the respective athletic strength of the two schools will be in the field. The date of the dual meet was changed from May 14 to May 13 and there is a strong chance that the meet will be held at Provo instead of at Cummings field.

The state college track meet will be held at scheduled time at Cummings field May 21 and the B. Y. U. Agricultural college and University of Utah will compete.

The student bodies at Provo and at the state university will be glad to learn of the settlement of the athletic difficulty and two good meets are now assured.

WOLGAST WILL TAKE  
ON BALDWIN FIRST

Milwaukee, Wis., April 4.—Battling Nelson will not get the first chance in the world's lightweight championship, Wolgast, the new lightweight champion, has been expected. A letter from Wolgast says that he is ready to meet a battle of forty-five rounds with Matt Baldwin, June 27. Baldwin's share of the proceeds is not set, but Wolgast says he will receive \$5,000 and training expenses as a guarantee.

WINN PREDICTS GREAT  
FUTURE FOR JUAREZ

New York, April 4.—Matt Winn, general manager of the Kentucky, Juarez, Lexington and Louisville race tracks, arrived in town yesterday for the first time since last fall. Winn is enthusiastic over the Juarez track, which he predicts will be the real magnet for all classes of horsemen in future winter seasons. He says the recent Juarez season was a disappointment, in view of the opposition in Florida. He says the Mexican track is one of the finest in the world and declares world's records will be hung up there in the course of time. Winn predicts a prosperous racing season in Kentucky, and points with pride to the splendid stake entries for the meeting at Churchill Downs, which he says he intends to finish plans for several improvements at the Empire City track.

SHAW GOES TO SEALS.

Chicago, April 4.—Infielder Roy Shaw of the Chicago Americans was sold to the San Francisco club today and pitcher was purchased by the Des Moines club.

CHAMPION GOTCH ADMITS  
GREAT STRENGTH OF POLE

After the Zysko-Mahmoud match, won by the Pole, Champion Frank Gotch had the following to say in Chicago. Zysko certainly is a wonderfully powerful man. That is why he won, as I thought Mahmoud outpunched him and showed the better all-around and general wrestling ability. But the difference of twenty-five pounds in weight told on the long run, and it was plain to see that the Pole had won on the Turk by a wide margin. Mahmoud used a form of toe hold, but I am familiar with it and proper use rather its effective use. He should get his own leg inside his opponent's before starting to pull up the toe. Perhaps I may be able to do better if I am matched with Zysko. I am not ashamed to say that I would not tackle this big fellow unless in the very best of shape. That is why I am going up into Minnesota for a long rest. Zysko is one of the greatest defensive wrestlers I know of. Mahmoud retired early in the battle that the

Johnson's Former Manager Says  
Black Lacks Punch to Stop Jeff

San Francisco, April 4.—Sam Fitzpatrick, former manager of Jack Johnson, said today that he believed Jeffries would be returned the winner in the fight at Emeryville on July 1. "I am not underrating Johnson's gameness, nor am I failing to take into account his ability as a clever, fast fighter of the heavyweight division, but when I say that Johnson cannot win over Jeffries, I mean it. Jack Johnson has not the punch that will put Jeffries to sleep, and that is the whole story. He could not knock Jeffries off his feet if they fought ten rounds. I know both the men, and particularly I know Johnson."

THINKS TEN ROUNDS ENOUGH

Oakland, April 4.—Expressing entire confidence in his ability to get into physical shape for a long distance fight with Jack Johnson next Fourth of July, James J. Jeffries arrived from Los Angeles today en route to his training quarters in the Santa Cruz mountains. He will go to his camp tomorrow, accompanied by his manager, Sam Berger, and the usual retinue of trainers and trainers.

Berger said today in Jeffries' hearing that they expected to win from Johnson in ten rounds or less, and the fighter smiled approval of the statement, though he said nothing.

"We will try to win from the jump," was the way Berger summed up the plan of battle as already stated.

SALT LAKE CITY, UTAH, TUESDAY, APRIL 5, 1910

OF U. A. B. Y. U. COME TO TERMS

FOOTBALL RULES COMMITTEE IN SESSION

Left to Right, Top Row—A. A. Stagg, University of Chicago; Dr. W. L. Dudley, Vanderbilt university; Crawford Blagden, Harvard; John C. Bell, Pennsylvania; Parke H. Davis, Princeton; Lieut. F. D. Bernan, U. S. N. academy; Lieut. H. B. Hackett, U. S. N. academy.

Lower Row—W. L. Williams, University of Minnesota; Walter Camp, Yale, secretary; E. K. Hall, Dartmouth; Chairman L. N. Dennis, Cornell; Dr. James A. Babbett, Hartford; W. A. Lambeth, University of Virginia; C. W. Savage, Oberlin.

New York, April 4.—Scoreless football is to be the game of the future. Next fall they won't be asking for the score, but rather how near one team got to the other's goal. The changes in the rules of football, as advanced by the "doctors" last Saturday, will, if they go through at the next annual meeting, make the present college football a very tame sort of an argument. Every change advocated is for the main purpose of weakening the offense.

It has been hard enough to score heretofore, but under the proposed changes scoring will be well nigh impossible. The biggest joke of the whole affair is that advocated change of dividing the game into four periods of fifteen minutes each. This is done for the purpose of relieving the players and sending them into the game again refreshed. This, if anything, simply makes it less imperative that ever team to use men in the best of condition. A player in fair physical shape can last fifteen minutes; then with an interval of either five or ten minutes he can go back practically as fresh as when the game started. This is surely putting a premium on lack of training if ever anything ever was. Then figure back and see how many important games have been won in the first fifteen minutes of play. The players plugging back and forth across the field by two evenly matched teams before one begins to weaken and the eleven in the better physical condition gets through to the opponents' goal line.

Under the new rules it will be four good starts, then the final whistle and no score.

The removal of the five-yard restriction from the play to receive the ball from the offense will prove of some help to the offense, but it will mean the return of plays close to center in which the whole back field of the offense will be brought into action and shot across inside of tackle, something on the order of old style football, although it will be started much more quickly. The flying tackle of the past can hardly be considered the dangerous element in the game, but rule makers would like to make it appear so.

The requirement of having seven men on the line of scrimmage will make but little change. This style of play has prevailed pretty generally. The prohibition of the pulling or pushing of the runner will be a factor for safety, especially to line plays. It will have to be made more compact also.

But the four-period scheme is the joker. If it does go through and the game is changed to four periods of fifteen minutes each, the game will be a different thing from now. That feature will be interesting to see what will happen to the forward pass, the safety, and the kicking end of the game depends largely upon this feature of play now. The restrictions will have to be taken care of, but rule makers would like to make it a play worth while under the proposed conditions.

The boys boxed hard in every minute of the five rounds and the fans saw one of the best boxing exhibitions yet presented. On a strict ruling of points Erlenborn had the best of it. He landed the cleaner blows and more of them and showed the greater cleverness. Time and again Erlenborn ducked Ross' wild swings and escaped hammers.

They both landed, however, and that they were in top condition speaks well for their training for the bout. Erlenborn slipped to the floor twice, helped by a stiff punch, but was up in an instant and coming fast. Both boys finished strong and showed no effects of the hard work.

The hackers of Ross were glad, for the most part, to get the draw. Garfield Boy Best.

The card opened with Mickey Sullivan of Salt Lake and Kid Ross of Garfield in the bantam weight class. The boys put up four fast rounds, with Referee Ryan giving the decision to Ross. Ross forced the pace and did the more aggressive work, which earned him the decision.

Eddie Johnson of Pueblo and Johnny Gilbert of Salt Lake put up a good game. Johnson had the best of the first round, but Gilbert finished strong and won a draw, the decision meeting general approval.

Bobby Lawrence, colored, of Denver and Young Logan of Ogden, who was substituted for Kid Herrick of Ogden, who failed to show up, also boxed four fast rounds. The colored boy forced the pace and won a decision.

Like Cohen did Denver welterweight, was too much for Young Buttery of Brite, and when Referee Ryan gave the bout to Cohen when Buttery kept clinching in the second round the fans agreed with him.

It was a good card and good boxing all the way through. About a score of boxers were introduced and the challenges flew thick and fast, making good possibilities for the next card.

CLASS ATHLETICS TO ROOM  
AT UNIVERSITY THIS SEASON

At the meeting of the class managers of baseball at the University of Utah Monday noon, the schedule and the rules which will govern the league this year were drawn up. The arrangements for the inter-class track meets for the coming year were also made.

The classes were represented by H. M. Alley, for the seniors; Leo Larson, juniors; F. Banning, sophomores, and Frank Cameron, freshmen. It was decided to have the class track meet on April 22. The naming of the officials was left to Coach Joe Maddock. It was also decided to bar all men who had ever won their letter at any university.

In the arrangement of the baseball schedule, since there will be no varsity baseball this year, it was decided to allow all baseball men, regardless of whether they had ever played varsity ball, to take part in the class series. It is thought that this plan will create a great deal of interest in the inter-class series. A committee consisting of F. Banning and Harry Alley was appointed to make some arrangements for the winners of first and second places in the class meet a ribbon.
